MISSISSIPPI

Board of Nursing

The following information is needed:

- 1- Official documentation on school letterhead for the amount of clinical hours earned in your program mailed to BON
- 2- Official letter from your collaborating physician with the number of monitored practice hours obtained mailed to BON
- 3- Official letter on facility letterhead with proof of more than 2000 hours work experience as an RN prior to completion of your APRN program mailed to BON
- 4- Once these things are approved you can work in the office without direct supervision.
- 5- You can also complete application and pay fees for controlled prescriptive authority with the BON if you choose.
- 6- You may then complete application and pay fees for controlled prescriptive authority with the DEA.
- 7- Once you get your certificate from DEA, you will submit to the BON for approval. Once approved you can begin writing controlled substances but not until then.
