IMPORTANT INFORMATION REGARDING YOUR ADDRESS

1. If you are changing your address from a non-compact state to MS there is a $25 non-refundable fee

2. If you are changing your address from MS to another compact state, you must apply for licensure in your new state. Changing your primary address WILL change your multistate MS license to a single state license.

3. If you are changing your address from MS to a non-compact state, you may keep your MS license, but it will be changed to single state.

If you are changing your address to MS, proof of residency is required before the change will be approved.

Once you upload and get a green check, your upload is complete.
