MISSISSIPPI

Board of Nursing

NOTICE: CEU Renewal Notice

Advanced Practice Registered Nurses (APRNs) renewing their license and certification with the Mississippi Board of Nursing (MSBON) are required to submit 40 CEU hours with a recommended 2 hours dedicated to controlled substance education by December 31, 2020.

If you are selected for an audit regarding continuing education hours, additional information will be provided to you with directions for submission of the requested documents.

For additional information please do not hesitate to contact our office.
