We verify the completed number of clinical hours and attest to the accuracy of the completion of the Board of Nursing required monitored hours.

APRN Signature

Date

Collaborating Physician Signature

Date

Please upload this completed summary document along with the proof of work hours as an RN, proof of clinical hours in APRN school, and proof of clinical hours post national certification to the BON gateway portal.

Important: The APRN cannot work without a qualified provider (see Admin Code 2840, Rule 1.3) on site, at any practice site, until the monitored hours are fully completed.

The Mississippi Board of Nursing has no purview over the APRN receiving monetary compensation during this time. Monetary compensation is at the discretion of the facility.
