

MSBON ESSENTIAL EMPLOYEE CONTACT INFORMATION

In accordance with Executive Order 1458 issued by Governor Tate Reeves on March 16, 2020, the MS Board of Nursing will be placed in telework status effective March 17, 2020. The Board of Nursing continues to undertake extraordinary measures to prevent the spread of the coronavirus, COVID-19, while also ensuring the mission of public safety for the citizens of our state. The Board and staff regret the inconvenience resulting from the present and unavoidable circumstances. Staff members will continue to work diligently via telework to carry out our mission and will address individual cases as soon as they are able to do so.

Each member of the BON has access to their email and their office phones. We will do our best during this time to provide you with the same customer service you have come to expect from the MS Board of Nursing. The table below identifies appropriate staff to contact via email according to the issue of concern. Please realize that responses may be delayed. Updates will be communicated through the BON website and via Facebook and Twitter.
