

MISSISSIPPI STATE BOARD OF NURSING

INVESTIGATION COMPLAINTS

In accordance with Executive Order 1458 issued by Governor Tate Reeves on March 16, 2020, the MS Board of Nursing (“BON”) will be placed on telework status effective March 17, 2020. The Board of Nursing continues to undertake extraordinary measures to prevent the spread of the coronavirus, COVID-19, while also ensuring the mission of public safety for the citizens of our state. The Board and staff regret the inconvenience resulting from the present and unavoidable circumstances. Staff members will continue to work diligently via telework to carry out our mission and will address individual cases as soon as they are able to do so.

As a public consumer agency, we take very seriously all complaints we receive for alleged violations of the Nursing Practice Law and Rules and Regulations of the Board. Our investigative division will continue to investigate all matters assigned them and do their best during this time to provide you with the same customer service you have come to expect from the MS Board of Nursing.
