MISSISSIPPI

Board of Nursing

The Mississippi Nurse Volunteer Program (“MnVP”) is a confidential and non-disciplinary program for eligible nurse applicants designed to promote early identification of substance use/abuse; removal from nursing practice and entry into treatment; and for monitoring of compliance upon re-entry into nursing practice.

If you require additional information please contact Brett B. Thompson-May. She can be reached at Bthompson@msbn.ms.gov or (601)- 957-6269.
