

As we are all affected by this pandemic, NurseJournal.org would like to encourage family members, friends, and the Mississippi Board of Nursing community to continue to show nurses and future nurses in Ridgeland that we appreciate their vital work supporting the health of our country. We have collected a list of thoughtful, unique, and useful gift ideas to thank nurses and nursing students for their incredibly hard work. Check out the guide below:

**The Best Gifts for Nurses and Nursing Students**
